FROM: Ken Atkison – Secretary & Treasurer/ Editor of Newsletter!

GREETINGS;

Thank you so much for your participation in our county wide Neighborhood Watch Association. We hope that we have been able to assist you in your quest to make your neighborhood a lot safer. That is our main goal and all of the Board Members strive very hard to make this happen.

If you have any questions please contact any of the Board members and we will help. If we can't answer immediately, we will find out the answer and get back to you asap. This is your Association use it.

It's October again, and it's time for your Annual Dues. They are .25 cents per household and you should have received your notice already from the Treasurer, Ken Atkison. If you have not received your notice call 880-8233. We simply ask that you respond to this notice as soon as you can, and continue to enjoy your membership in this great Organization.

Remember, if you watch from sidelines and don't participate in a game you can't make a difference. So get involved, participate and make that difference.

We need you to be a leader in your neighborhood and help keep it safe. Be pro active not reactive. Your area is most vulnerable when all is quiet and there seems to be no crime to mention. That is when you need to be most vigilant, as a neighborhood watch, because it's human nature to relax when all is well. **KEEP ALERT! Don't get caught "napping."**

Let's ALL work to head that off. See you at the meeting.

Remember our current slogan – **“WE'RE ALWAYS WATCHING”**

Our Organization has been in existence for some 28 years+ and has always been driven to communicate the needed NW basics to ALL members in good standing, Don't be placed in a Reactive mode – plan early & be PRO-Active, when it comes to safety in your immediate neighborhood. Take the Leader's job, and show your neighbors how to “Be Alert” and wise in curbing all crime trends. Don't let the bad elements into your area – Be Prepared ! ! ! ! Learn to VOLUNTEER !

So, join the HCNWA today & show “Mr. Crime” that you're organized and ready for whatever they “might” want to institute in your neighborhood.

“BE PREPARED – LET'S ALL VOLUNTEER NOW ! ! ! !
