Meeting Agenda

New business:

There was a discussion regarding sharing of membership information that was gathered by individual members. We have some updates but not all. Need to get this information all together to update membership and prepare for mailing 2019 notices.

Also discussion regarding mailing out information regarding events such as FB information, bike registrations, etc.

Website discussion – There was some discussion about updating the website and possibility of setting up our own website and making members administrators so everyone could update and add information as needed. Julie suggested her daughter might be interested in trying to put something together for us ha she has some experience with website.

There was also discussion of updating the logo for the Association and Tony discussed how at one time there were shirts that were worn by the Board at events such as bike registration and other community events to identify the Board as well as bring attention to the association. Will discuss further with quorum present.

Also discussed was bike registration event at South Shore Covington in May. Tony suggested we do 2-3 more bike registrations and include Identikid events at the same time.

Tony suggested that since we had funds available we should consider shirts, stationary, possibly purchasing a tent for outdoor events and using the branding for the association on these items.

The next item of discussion was donations. Do we want to consider a donation and if so, to what organization: HCSO Toys for Tots, Fallen Deputies, etc., and what amount would be appropriate.

Next meeting scheduled for April 2, 2019 and location to be determined.

Meeting was adjourned at 8:10 p.m.
